Sir:

Applicants wish to make of record in the above-identified application the document or documents referenced on the attached Form PTO-1449. A copy of each non U.S. reference is enclosed herewith.

The cited references are mentioned at page 2 of the present specification and in the Search Report and International Preliminary Examination Report (copy enclosed) of applicant's corresponding International patent application and are believed relevant for at least that reason.

It is respectfully requested that the information be expressly considered during the prosecution of this application, and that each reference be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This submission does not represent that any referenced document is material or constitutes "prior art." If it should be determined that one or more of the referenced documents

Serial No.: U.S.Nat'l. Phase of PCT/JP2004/006655

Art Unit:
